

UJA-FEDERATION OF NEW YORK SYNERGY COACHING NETWORK

FACING A CHALLENGE IN YOUR SYNAGOGUE?

Work with highly-trained organizational coaches to achieve your congregational goals and implement lasting change through SYNERGY's Coaching Network.

How Does It Work?

SYNERGY coaches are experienced professionals ready to help your synagogue get unstuck and move into action. Together, you will identify your goals, discover new methods of problem-solving and create a customized plan to address the challenges facing your community. SYNERGY has coaches ready to partner with you in almost any area of synagogue life.

Building the right team is critical to the success of your coaching engagement. Your congregational team should include both senior professional and lay leaders. One team member serves as the coaching champion, the key point person responsible for coordinating schedules and setting regular meetings with the coach.

Coaching establishes momentum to move your congregation forward and to be successful in the long-term. After coaching ends, SYNERGY will continue to bolster your synagogue's ability to thrive.

Coaching is highly subsidized by UJA-Federation, offering two affordable options, on a timeline customized for your congregation:

- 20 hours of coaching at a cost of \$500 per congregation (a \$4,000 value)
- 40 hours of coaching at a cost of \$1,000 per congregation (an \$8,000 value)

Are You Ready for Coaching?

If you can answer YES to the questions below, now may be the right time to explore Coaching with your regional manager.

- Is there a specific issue or challenge our synagogue can identify as an area for coaching?
- Can our synagogue identify a team of professional and lay leaders willing and able to lead a short-term congregational change project?
- Does our leadership team have the time and energy to focus on a coaching engagement at this time?

Please contact your regional manager or synergy@ujafedny.org to explore how coaching can benefit your congregation and how to get started.

UJA-Federation of New York cares for Jews everywhere and New Yorkers of all backgrounds, responds to crises close to home and far away, and shapes our Jewish future.
